

RCE Foundation, Inc. is pleased to announce its First Winter Fundraising Gala, scheduled for Saturday December 4, 2021 at Haus 820 located in downtown, Florida. RCE Foundation, was created in 2020 to serve as a hub that facilitates the provision of critical support services to families of individuals with disabilities in Florida communities and beyond.

Our mission is to help families achieve optimal quality of life by addressing the needs of individuals with developmental delays as well as other health challenges and facilitating access to critical intervention services, tools, and training programs.

The 2021 Winter Fundraising Gala is designed to bring together close friends, families and supporters of the cause we champion to raise money to support the many families who are in our scholarship pipeline, waiting for critical services and support for their loved ones.

Your support in the form of a sponsorship (See Sponsorship Levels attached) or by purchasing a ticket or by donating an item for our silent auction will be immensely appreciated. And of course, your presence at the event will even make it better yet.
